3. Services and Costs

Services vary with the individual tours and are listed in the respective tour descriptions. We reserve the right to change our program and hotel accommodations due to unforeseeable events, including weather, road conditions or other inhibiting factors. In that case RMT shall endeavour to provide alternatives of equal quality of services and tour character.

We reserve the right to adjust tour prices as required to compensate for service provider rate increases. The tour participants are notified of such cost increases as they become apparent, but not later than 30 days before start of travel. The tour participants are entitled to a refund of the deposit or any further payment made if the increase exceeds 5% of the quoted tour price.

Motorcycle adventure tours typically require a higher degree of personal engagement by the participants than any ordinary organized travel. There may be unforeseeable and unplanned events which contribute to the unique character of this tour. The tour participants are required to conduct themselves in an orderly fashion and must follow the directions of the tour guide. In order to prevent tour disruption, endangerment of others, and conduct leading to other participant's dissatisfaction we will exercise the right to exclude non-compliant tour participants from the tour and may deny further usage of the rental vehicle. In this case those tour participants shall not be refunded any money and are fully responsible for any further costs caused thereof.

4. Rental contract and security deposit

Upon take over of the rental motorcycle, a safety deposit is payable and a rental contract has to be signed. The security deposit varies widely with rental firms but is specified in the tour description package or is quoted upon participant's request. The security deposit is refunded upon return of the undamaged rental vehicle. The rental contract is binding and the term of the rental is continued even if the rental vehicle should become inoperable regardless of fault or reason, or if the participant becomes incapacitated to commence or continue the tour. In cases that a specified type rental vehicle is not available at the time of rental pick up, we reserve the right to substitute with an equal value vehicle. On a Guided Tour usage of the rental motorcycle is for the daily tour only.

5. Hotel and Accomodation

The pre-booked accomodation is typical for the area and of a reasonably good standard. Double-Room and Twin Room Booking are only available for participants who have registered together.

6. Passport, Visa and Vaccination Requirements

RMT is not responsible or liable for any damage, expenses or inconvenience caused by the participant failing to obtain required travel documentation or necessary vaccinations. At this time there are no specific visa or vaccination requirements for our tours. Please check the tour description package for possible changes of the requirements and special country regulations.

7. Cancellation by tour participant and penalties

Any cancellations received by RMT on or before 90 days prior to tour departure, will result for the deposit not to be refunded to the participant. For cancellations received by RMT less than 90 days before tour departure the following penalties apply:

89 to 60 days: 20% of the tourprice (if tourprice is less EUR/USD 2500 or NZD/AUD 5000 minimum deposit)

59 to 41 days: 30% of the tourprice (if tourprice is less EUR/USD 2500 or NZD/AUD 5000 minimum deposit)

40 to 31 days: 50% of the tourprice (if tourprice is less EUR/USD 2500 or NZD/AUD 5000 minimum deposit)

30 days or less: 100% of the tourprice

Any cancellation has to be made in writing. RMT accepts transfer for one participant's registration to a 3rd party for a further registration fee of EUR/USD 50 or NZD/AUD 100 per person.

8. Cancellation of the tour by RMT

In case RMT has to cancel a tour for events out of their control (Acts of God, strike, war, natural disasters) RMT shall refund all tourprice payments made. If there are less than 6 Rider, the tour can be cancelled 2 weeks before tour departure. In this case the participants are immediately informed of the cancellation and all tourprice payments made are refunded. The participants have no claims for any compensation or damages whatsoever against RMT, their agents or service providers.

9. Liabilities

RMT, its agents and representatives shall not be liable for any personal injury, property damage or loss arising out of the participant in the tour and expressly disclaim any liability for any injury, property damage and/or loss, delay, change of itinerary, shortened vacation time, inconvenience or additional expenses. RMT shall further not be liable for damages, refund or otherwise for mechanical breakdowns, government actions, Acts of God, strikes, weather or any other circumstances beyond RMT's control. The above applies in a case where the participant had followed the tour guides instructions.

10. Traffic hazards

It is the tour participant's responsibility to get acquainted with the applicable traffic rules and regulations. Each participant is responsible for himself/herself and for damages inflicted onto other tour participants or members of the public and any property. This liability is not excluded or reduced if the tour participant is following the tour guides directions. Each tour participant must adjust their driving according to their skills and concern for their own safety.

11. Complaints

Should any participant have a complaint, despite the thoroughness RMT applies to planning and execution of any tour, such complaint has to be made in writing to RMT immediately. Any complaint or claim has to be received by RMT within 10 days after the conclusion of the tour where the alleged event leading to the complaint has occurred.

12. Photos, Film-, Video- and Navigation recordings

Any rights for photos, transparencies and videos (productions) produced by RMT and their representatives during travel tours are fully owned by RMT. RMT reserves the right to use such productions for advertisement, without granting royalties to participants shown in the productions. Without prior written permission of Reuthers, tour participants are not allowed to record Guided Tours on a navigation device.

13. Recommended Insurances

It is recommended to take out the following types of insurance: Medical, accident, general liability and loss of luggage. We will gladly assist you to source suitable coverage.

14. Other

In the case of any provision of this document being void, this shall not affect the validity of the remaining provisions in this document. Tour guides are not authorised to grant rights or promise services different from the tour and rental agreement. Verbal agreements are invalid unless followed up in writing with confirmation of RMT. In case of any dispute the jurisdiction of the appropriate court in Coburg, Germany is agreed upon.
